for the date of  
January 28<sup>th</sup> , 2021 ( January 29<sup>th</sup>, 2021 – second convened date)**

The Board of Directors of the company **Rompetrol Well Services S.A.**, hereinafter referred to as the “Company”, headquartered in Ploiesti, 2Bis Clopotei street, Prahova County, registered with Prahova Trade Register under no. J29/110/1991, having the sole registration code 1346607,

Having regard the convening notice ( “ Convening Notice”) whereby it was convened the Company’s Extraordinary General Meeting of Shareholders (“EGMS”), which is to be held on January 28<sup>th</sup>, 2021, at 12:00 at the Company’s headquarters located in Ploiesti, 2Bis Clopotei street, Prahova County, a Convening Notice which was published in the Romanian Official Gazette no. 4484 as of December 22<sup>th</sup>,2020 and in the newspaper ‘ Bursa’ no. 245 as of December 22<sup>th</sup>,2020.

In accordance with the article 117 of the Companies Law no. 31/1990, republished, as further amended and supplemented, with the Law no.24/2017 regarding issuers of financial instruments an market operations, in conjunction with de provisions of art189 of Regulation no. 5/2018 on issuers of financial instruments and market operations, pursuant to the request no. 28/08.01.2021 of the significant shareholder, namely KMG International N.V., holder of 203,110,150 shares/voting rights representing 73.0111% of the share capital and no. 1077/09.04.2020 of the significant shareholder, it is approve to introduce on the agenda of the EGMS a new item, namely:

KMG Internastional NV proposes, therefore, that the company's net profit to be distributed as dividends, as follows:

1. The policy provides a differentiated approach in determining the volume of dividends in respect of the Company, depending on:
  - 1.1 The nature and profitability of the commercial activity of the Company and its share capital needs;
  - 1.2 The expected own equity requirements for performance of the activity plans and the investment projects.
2. The actual dividend volume shall take into account own equity financing needs for:
  - 2.1 Financing of capital investments in existing assets;
  - 2.2 Financing of investment projects in respect of the part which requires the allocation of own funds according to the agreed structure of project financing;
  - 2.3 Debt reimbursement;
  - 2.4 Other relevant factors that influence the company's cash flows.
3. The Board of Directors drafts proposals for the amount of dividends actually distributed for the reporting period.
