

## **NOTICE**

### **Environmental public information for the second quarter of 2018 on the consequences of SC Rompetrol Well Services SA - Section CAMPINA, str. Orizontului no. 2**

Our company is a specialized company performing special operations on oil and gas wells, with CAEN code 0910.

At the Campina Section there are 24 employees.

Rompetrol Well Services SA - Campina is constantly concerned with improving its services to its clients: OMV-Petrom, Romgaz SA, Amromco Eney SRL, Drill Well Craiova, Dafora Medias SA, Tacrom Drilling, complying with the legal requirements regarding the environmental protection.

The main activity of the company is carried out in the perimeter of the customers' wells, namely TRS, liner launches, packer fasteners, pressure tests, rents drilling tools for drilling-extraction.

Also at the headquarters of the department there is the maintenance activity for the various tools that are leased to the clients and their testing under pressure in the specially designed stand.

Our activity does not involve substances or other products dangerous to the environment. All staff employed were trained according to contingency plans in case of accidental pollution, and the site is supplied with special absorbent materials to immediately intervene in removing leakages and debris in the event of accidental pollution.

During the Q2 of 2018 there were no environmental events.

Campina Section holds Environmental Authorization no. PH-298 / 09.07.2013, issued by the APM Prahova and no sanctions were applied following the checks carried out by the competent authorities.

According to the requirements of the Environmental Authorization no. PH-298 / 09.07.2013, we make annual monitoring of the industrial waters discharged into the canalization of the municipality and noise determinations at the boundary of the site, at an accredited laboratory.

Further information on environmental issues can be obtained from the QHSE Manager, Mr. Duca Razvan or Environmental Protection Officer, Oprea Adrian, at tel. 0244544321 or 0244402207.
